

## PROPS POLICY AND PROCEDURE

---

1. Each teacher must submit a prop list before the start of the Eisteddfod.
2. A performer may only use necessary, age appropriate and safe props, provided members of the performance take these props into the stage area.
3. The use of fireworks, explosive-type effects, confetti, balloons, powder, water or other substances or props that cannot be retrieved by members of the performance is prohibited at any time during the eisteddfod.
4. Props may not be stored backstage.
5. Props may only be brought backstage the section before the prop are used in a performance.
6. Props must be removed from the stage and backstage area immediately after a performance.
7. Large props that must be placed on stage before a performance must be brought by the teacher and one other helper.
8. Smaller props must be placed on stage by the performers themselves where possible.
9. Prop placement may not take more that 1 minute.
10. No electrical or mechanical devices may be used.
11. No breakable props may be used.
12. Props will remain the studio/teacher's responsibility and the Garden Route Eisteddfod will not be held liable for any loss, damage or theft of props.
